Your Registration is almost complete

- Your registration is now pending approval and awaiting payment. We will complete the final step of accepting your registration when you next come into the centre and pay the registration fee.
- You will be issued a receipt when you pay. Please keep your receipt.

Where do I go for help?

- FAQ's on the website.
- The Riverstone Sports Centre has very limited access to the registration process. We cannot help you with creating or retrieving your FFA number or password. If the registration process does not result in an invoice being produced then we cannot finalise your registration. Please contact the MyFootballClub support centre via the number listed on the www.myfootballclub.com.au website.
